CRONO

by PIETRO LOVATO

Crono è una seduta di pregio, che emana autorevolezza e solidità. Confortevole nella seduta e sobria nel design, mette al centro la personalizzazione grazie a una manopola dietro allo schienale che ne regola l'altezza, adattando il supporto lombare.

Crono is a high-quality office chair that exudes prestige and stability. With a comfortable seat and a timeless design, it focuses on personalisation thanks to a back knob that adjusts the backrest height, thus adapting the lumbar support.

Girevole, imbottita.
Poggiatesta opzionale.

*Swivel, upholstered.
Optional headrest.*
